Serological test

Swab after a positive serological test

### IGG-IGM quantitative serological test

There is only one test per member.

It is generally accepted that *a medical prescription is not required unless it is given at the regional level*, for the member to request a "Quantitative serological test IGG-IGM" **at an affiliated facility** must:

- A** consult the list of approved facilities for serological testing (available at <https://www.fondosanedit.it/en/covid-19-emergency-campaign/>);
- B** locate the facility and contact the chosen centre by telephone;
- C** book the appointment independently;
- D** apply to the relevant Cassa Edile/EdilCassa by submitting:  
THE APPLICATION FORM, on which you must indicate the affiliated facility and the date and time of the appointment.

To request a "Quantitative IGG- IGM serological test" **at a non-contracted facility** (NB: only if the enrolled worker is domiciled in a province that does not have contracted health facilities), the member must:

- A** take the Test;
- B** apply to the relevant Cassa Edile/EdilCassa by submitting:
  - CLAIM FORM;
  - QUANTITATIVE SEROLOGICAL TEST INVOICE.

### Nasopharyngeal swab for RNA after positive serological test

Without prejudice to the need for a prescription from the general practitioner or specialist, which must be delivered to the facility on the day of the appointment, unless otherwise specified at a regional level, to request a "Nasopharyngeal swab for RNA research" **at a participating facility**, the member must:

- A** consult the list of approved facilities for serological testing;
- B** locate the facility and contact the chosen centre by telephone;
- C** book the appointment independently;
- D** apply to the relevant Cassa Edile/Edilcassa by presenting:
  - [AUTHORISATION FORM](#) for post-serological swab;
  - **POSITIVE SEROLOGICAL TEST REPORT.**

To request a "Nasopharyngeal swab for RNA research" **at a non-contracted facility** (NB: only if the registered worker is domiciled in a province with no contracted health facilities), the member must:

- A** take the Test;
- B** apply to the relevant Cassa Edile/EdilCassa by submitting:
  - [CLAIM FORM](#);
  - **SWAB INVOICE**;
  - **COPY OF THE PRESCRIPTION** of the general practitioner or specialist doctor;
  - **REPORT OF POSITIVE RESULT** on serological test or report of a positive result on the previous swab.

In the event of a positive result on the first swab, the member may, following the procedures described above, request a further swab(s) following the timetable established by the treating doctor to verify recovery.

In the latter case, the member must submit to the Cassa Edile/EdilCassa, in addition to the required documentation, the report of the positive result of the previous swab, in place of the report of the serological test.
