

REIMBURSEMENT OF LENS FITTING COSTS DIRECT **(documentation for employees of Bodies, Associations and Organisations)**

With effect from 1st June 2021, Fund Sanedil will reimburse members directly for expenses incurred when purchasing spectacle frames, provided they are not for cosmetic purposes, within the limits set out below and until the allocated budget is exhausted.

To receive the benefit, members must submit the completed form to Fund Sanedil, enclosing the invoice/receipt confirming the purchase, as per the reimbursement request for the purchase of corrective lenses guaranteed by UniSalute.

After verifying the regularity of the contributions, the Fund will pay the benefit directly to the applicant member. This benefit has a shared ceiling per family unit and can benefit the member, the spouse who is fiscally dependent as a result of family status, and children who are fiscally dependent.
